

BRIJESH YADAV

UI Developer

Sonbhadra, UP 231217 | +91-7355214201 | brijeshrnq2312@gmail.com | [GitHub](#)

PROFESSIONAL SUMMARY

With 2.5+ years of experience as a Frontend Developer, I have worked mainly with jQuery, JavaScript, HTML5 and CSS3, and have some working knowledge of React. I have handled multiple tasks like UI development, bug fixing, page improvement, layout corrections, responsive design and browser compatibility. I believe in writing clear code, understanding the user's needs, and delivering stable frontend features. Adept at collaborating with cross-functional teams and interacting directly with clients to deliver stable, scalable frontend features.

CORE SKILLS

- Advanced jQuery, JavaScript (ES6+), UI Logic, DOM Manipulation
- React.js (Components, Hooks), REST API Integration
- HTML5, CSS3, Responsive Design, Bootstrap, Tailwind
- Git, GitLab, Browser DevTools, Axios
- Java, OOPs Principles, and Programming Fundamentals
- Strong Debugging · Clean Code · Problem Solving · Team Collaboration
- Data Structures & Algorithms · CRUD Operations.

PROFESSIONAL EXPERIENCE

UI Developer — Enterprisebot (**march 2023 - present**)

(Started as Intern, later promoted to Full-Time UI Developer)

- Learned the company's chatbot product and understood its tools, features, and workflow during the initial 6 months of internship.
- Worked on bug fixing for chatbot functionalities, UI issues, and performance-related problems using jQuery, JavaScript, HTML, and CSS.

- After completing the internship, I was promoted to UI Developer and assigned to the chatbot frontend team.
- Developed and improved chatbot UI features as per roadmap tasks and business requirements.
- Resolved JIRA tickets including UI bugs, layout issues, responsiveness problems, event-flow issues, and style inconsistencies.
- Optimized chatbot performance using Webpack builds, code cleanup, and improving UI logic.
- Worked on API integration and updated UI components based on backend responses.
- Collaborated with Backend, QA, API, and DevOps teams for smooth feature delivery.
- In some cases, I interacted directly with clients to understand UI issues and provide suitable solutions.
- Ensured cross-browser compatibility, mobile responsiveness, and smooth user experience.
- Followed Agile processes such as daily stand-ups, sprint planning, and task tracking.

Technologies Used:

jQuery, JavaScript (ES6), HTML5, CSS3, Webpack, React (Basics), Axios, Git, GitLab, Browser DevTools

EDUCATION

B.Tech (Information Technology), Dr. AIITH Kanpur — **79%** (2018–2022)

Class 12th, Aditya Birla Intermediate College — **72%** (2016–2017)

Class 10th, Aditya Birla Intermediate College — **71%** (2014–2015)

STRENGTHS

Corporate Communication • Clean Code • UI/UX Understanding • Fast Learner • Problem Solving • Team Coordination
